1 Help:New images

New images is a [special page](#) that lists recently added files as a [gallery](#) in reverse order, with creation date and time, current size, user who [uploaded](#) the file, and name of the uploaded file.

This feature is accessible at [Special:NewImages](#). The page results are **not** adjustable using settings in [Preferences](#).

This special page can be [transcluded](#), with the first unnamed parameter specifying how many entries should be displayed.

```
{{Special:NewImages/50}}
```

This special page does not accept additional parameters, [yet](#).
