# 1 Program Maintenance

This screen allows you to maintain the details of each of the programs run by the system.

You use these programs to assign to menus (sub-menus on the main menu) and menu options (options on the sub-menus).

See also:

- [Menu Maintenance](#)
- [Menu Options](#)

**!** **Warning:** This is a system administrator function - if you change the settings here, this will affect all users of the system.

The screen displays all programs set up within the system.

Name	Parameters	Description	Program Type	Program Mode

Programs maintenance

You can query data by and/or choose to display data as follows:

- **Name.**
- **Parameters.**
- **Description.**
- **Program Type.**
- **Program Mode.**
- **Module Type.**
- **Active or All records.**
- **Created By.**
- **Created Date.**
- **Last Updated By.**
- **Last Updated Date.**
- **Last Active Change By.**
- **Last Active Change Date.**
- **Last Process Id.**
- **Update Counter.**

The following actions are available on the Details panel:

- **New** - create a new record.
- **Save** - save a new record or changes to an existing record.
- **Delete** - delete an existing record.
- **Help** - help on this screen.

-  **Undo** - undo change made since last save.
-  **Clear** - clear all fields.
-  **Toggle** - toggle display of all accordion headers.

You can change or add the following:

- **Name** - the screen ID.
- **Parameters** - parameters passed to the screen when run.
- **Description** - the displayed name of the screen.
- **Program Type** - the type. Usually "ASPX", "MVC" or "CS".
- **Program Mode** - the mode. Usually "E" allowing entry.
- **Module Type** - the module to which this screen belongs.
- **Image Filename** - the image displayed on the menu and title. You will be provided with a drop-down list of values.
- **Help Document** - the help topic in *CALIDUS* Assist.
