3 FUNCTIONAL OVERVIEW

3.1 Client Requirement

Link the Order Detail area in Debrief by double click to the Original order detail screen.

3.2 Solution

The facility to double click a record in the Order Debrief section of the Trip debrief screen.

The ability to right click a record in the same Order Debrief section of the screen will be added to view the Order Locations and subsequently the address details.

3.3 Scope

This change will be applied to system version 10.6.

4 FUNCTIONAL DESCRIPTION

A double click option will be added to order debrief record to allow the Orders screen to be displayed for the currently selected record.#
