1 Calidus Online Guide

2 Calidus Online

2.1 Introduction

Calidus Online allows web interrogation of the Calidus Warehouse Management System.

2.2 Logon

A webpage is provided that validates the log-on credentials of the users.

File:Online-Logon-BAR.png

Enter your provided username and password at this point and click **Logon**.

2.3 Main Screen

On successful log-on, You will be taken to the main Calidus Online screen. You can return to this screen at any time by clicking the *Home* option on the menu.

The contents of the screen and menu will vary, depending on the set-up of your user.

The Warehouse and Owner will be set for you. If your user has been configured to allow for multiple Warehouses and Owners, you can select them from drop-down lists provided.

You can change your password by clicking the **Change Password** button.

You can choose the action you want to do from the main menu on the left of the form. The options are:

- *Home* - Return to this screen
- *Maintenance* - See the configured users.
- *Enquiries* - Enquire on the WMS.
- *Reports* - Run pre-configured order reports (not enabled for this configuration)
- *Help*
- *Logout* - exit from the system
