AT_SCH_SHIP_PALL_359661.sql	AT Script	1.1	359661	WREQ0031943	3	The new package label format will be available for configuration. The new pallet label format will be available for configuration. The pallet label printing will be to a laser printer for a PDF document or to a label printer for a Zebra label format. The new MCS_PALLET_LABEL_FORMAT system parameter will be used to store the Zebra pallet label format. If this system parameter is not specified, the existing PDF pallet label format will be used. The supporting information of the new package label will need to be implemented for the carrier tracking and routing.
