

EMERGENCY RELEASE - WMS 810

RELNOTE ER045-016

Module	Program Name	Ver	Call/Iss	Client Ref	Pr'ty	Remarks
POS1011.fmx	PO Suggestions Maintenance	4.34	02690201	WREQ0093016	3	<p>The question 'Are you sure the quantities you are ordering are correct?' is not displayed when clicking on the 'Complete Receipt' button. If the answer is "Yes" the receipt will be updated to completed or if the answer is "No" you can amend the quantity.</p> <p>The same questions will also be displayed if a quantity greater than 100 is entered. Clicking "Yes" will then allow the user to continue but if they click "No" the error "Value is too large. Please re-enter." will be displayed and a different quantity will need to be entered.</p>

New Parameters			
rule			warehouse rule.
POQV (Purchase Order Qty Validation) rule	Warehouse	Y	The rule will only be checked at warehouse level if it has not been entered for the owner. If set to "Y" for the warehouse the question 'Are you sure the quantities you are ordering are correct?' will be displayed when clicking the 'Complete Receipt' button. If set to any other value or not set for the warehouse (or owner) the question will not be displayed. The owner level rule overrides the warehouse level rule.
