1 Flexipod Technical Setup

 **Warning:** This is an incomplete guide.

Note from Dom:

- Create collection order, adds to a trip
- Set to accepted, sent through to Flexipod.
- Added a new collection order, this is scheduled onto the same accepted trip then appeared on the device even though the trip was ACCEPTED

1.1 APOD Public API Guide

You can find the full APOD Public API Guide here:

- [APOD API Guide - Introduction](#)

You can find help on all of APOD here:
