# 1 Template:DevNotes

## Developer Notes:

### 1.1 Usage

The following includes the text passed to the template. These always force a newline before and after the note.

```
{{DevNotes|Here is a developer note. There are some lines and points: * Point 1 * Point 2 }}
```

**Developer Notes:** *Here is a developer note.*

There are some lines and points:

- *Point 1*
- *Point 2*

**Language:** English
