626180		REA - Brackmills Live - Issue Generating New Pallets on Receipt - 03821508 - DEV-227557

Rule/Database Changes

Rule/Database	Name	Default Value	Details
None	-	-	

Installation Instructions

Installation Instructions	Notes:
<p>For full upgrade installation instructions, please see the WCS Installation Guide.</p> <ul style="list-style-type: none"> • Log off all RDT users. • Stop all WCS Maintenance sessions accessing the database • Stop the WCS Server process. • Make a backup copy of the old program, if required. • Copy the released versions of this program to the correct area on the TEST machine, normally C:\Program Files\Warehouse Control Server • If the database structure has been released to you, the database should be converted as described in the WCS Installation Guide. • Restart the programs. 	<p>1. If you use Oracle WMS or CTMS, the program WCS-Server_OAQ_WMS.exe should be run whenever WCS Server is chosen from the Start menu.</p> <p>2. Some releases may also require WMS or CTMS patches to be in place. Please check with your release co-ordinator to ensure that these releases have been completed before testing.</p>
