DATA_ORS_SQL_330855.sql	Data Script	4.1	330855	INC11326219	4	Amend the ORS report (Inventory - Pallets) report to be run via the EDI ORS process. Note: This change has required the removal of user specific controls as to what data the report can look at, in regards to warehouse/owner level data. This is because the process is now being run by the EDI poller rather than a specific user.	Emlyn Phipps
