Registry/Rules Settings		
Path & Name	Setting Value	Result
SD3R Owner Rule	"Y"	The Stock Maintenance screen will not allow records to be saved or copied if Description 3 is null, and the EDI Product Upload processes will issue an error if Description 3 is null.
	Not "Y"	The above validation will not apply so Description 3 can be null.
WTNC Owner Rule	"Y"	For warehouse transfers the Goods Receipt Confirmation screen will not allow the pre-advised customer pallet ID, system rotation, customer rotation or reason code to be changed.
	Not "Y"	The above validation will not apply.
