EMERGENCY RELEASE - WMS 810

RELNOTE ER024-023

Module	Program Name	Ver	Call/Iss	Client Ref	Pr'ty	Remarks	Reporter
WHR1900_BRT.rdf	Despatch Note	4.5	347470	Depatch note change	3	The 'Customer Pallet ID' column has been replaced by a 'Rotation / Batch' column to display the customer rotation number instead. The despatch details will be displayed sequentially within the sales order by ascending order of customer rotation number and then customer pallet ID. The data will be displayed at the lowest level as before so that each despatch detail is displayed if the customer rotation number has been obtained for multiple rotation numbers, pallet IDs, customer pallet IDs or from multiple warehouse locations.	Colin Cook
