EMERGENCY RELEASE - WMS 810

RELNOTE ER025-018

Module	Program Name	Ver	Call/Iss	Client Ref	Pr'ty	Remarks	Reporter
DATA_DYNAMIC_MESSAGES_346890.sql	Data Script	4.1	346890	WMS-TMS-IF/026	3	A new tab page called Load Enquiry is available in the Pick Wave screen (LAS0312) in which the route/loads can be reviewed. The route/loads can be used to show the orders by displaying the Details tab page, or to allocate and pick list multiple route/loads that have been selected for processing. The new Load Enquiry tab page will be called by the Find button when the new Route/Load or Order Number control field is set to Route/Load, otherwise the Find button will call the Details tab page as usual. The new control field will be defaulted to Route/Load when the user's common owner has the Transport Interface active, otherwise the default will be Order Number.	Tony Walker
