This page will allow the maintenance of news items which are displayed on the home page.

The screenshot shows a web interface for adding news items. At the top is a form titled 'Add News Item' with fields for 'Group' (set to 'All'), 'News Type' (set to 'Text'), 'News' (a text input), and 'Attachment' (a file upload button labeled 'Choose file' with 'No file chosen' text). An 'Add News' button is on the right. Below the form is a table with columns: 'News Group', 'News Type', 'Date/Time', 'Summary', 'Attachment', and 'Remove'. The table contains two rows of data. The first row shows 'ALL' for group, 'Attachment' for type, '23-Mar-23 10:36:52' for date, 'News Item Attachment' for summary, and 'apnewsLarge.png' for attachment. The second row shows 'ALL' for group, 'Text' for type, '23-Mar-23 10:36:23' for date, 'News Item 1' for summary, and 'Calculus Portal System' for attachment. To the right of the table are three buttons: 'Select All', 'Select None', and 'Remove'.

News Group	News Type	Date/Time	Summary	Attachment	Remove

ALL	Text	23-Mar-23 10:36:23	News Item 1		<input type="checkbox"/>
ALL	Scrolling	23-Mar-23 10:36:09	Calculus Portal System		<input type="checkbox"/>

Add News Item

- **Group** A news item can be added for All Groups, a single group or multiple groups

by selecting the group from the drop-down list. If added for specific groups then only the selected group will see the news item on the home page.

- **News Type** This may be:
 - ♦ Text For a plain text news item
 - ♦ Attachment For a plain text news item which also contains an attachment
 - ♦ Scrolling For a text news item which appears on the scrolling bar on the home page.
- **News Summary** This is a brief description of the news item i.e. the text for the news.
- **Attachment** Optional - Can be any type of document capable of being viewed on the

users PC e.g. a txt, word or PDF document; spreadsheet etc. Clicking on the attachment will download the document to be viewed locally on the users PC.

- **Add News Item Button** Clicking on this button will add the news item to the Current news items.

Current News Items

This section displays all of the current news items for all groups. News items can be removed by selecting the 'Remove' select box and clicking the 'Remove' button. This will also delete any attachment associated with the news item.

Note: There is no automatic expiry of news items - they will remain on the Home page until they are removed from the system as described above.
