To use the screens as a Dashboard in the warehouse, choose *Timed Display*.

Select the run you want to step through using the radio button to the right of the run, then click **Go** to start the display.

If there is no menu on the left, click the icon to display the menu.

The screenshot shows a web browser window titled 'Calidus Vision - Mozilla Firefox'. The address bar contains the URL 'http://127.0.0.1/Productivity/WIP/Timed.asp?Screen=1&Run\_ID=1'. The page header features the 'OBS LOGISTICS' logo and the 'Calidus Vision' title. A navigation menu on the left includes 'Actions', 'Next Screen', and 'Finish'. The main content area is titled 'System Overview' and contains several data tables.
