Monitor screens are bespoke to the systems being mined. Essentially they are screens designed to show the status of individual portions of the external systems, to aid in problem-solving.

A selection of these screens is shown below:

- Dashboard
- WMS
 - ◆ Order Status
 - ◆ Metapack Status
 - ◆ Warehouse Utilisation
- WCS
 - ◆ Time To Completion - Order, Replens, Moves.
 - ◆ WCS Alerts
 - ◆ Users - Details
 - ◆ Users Logon Details
