1 Creating a Customer

1.1 Customer Creation

For sales orders to be entered on to the system for a specific customer then a customer code and record must exist for that customer.

1. Open the form Customer Wizard -WHSORA035 (It is possible to find the form in the main menu using the standard search facility in the left hand tool bar, click on the magnify glass)
2. The form will open in query mode (turquoise bar top of the screen) the form must be set to entry mode. Use either the 'F4' key on the keyboard or select the cancel query icon.
