1 DAT0001 Standing Data Copy Screen

This is the *Standing Data Copy Screen (DAT0001)*.

The screenshot shows a software window titled 'Standing Data Copy Screen' within the 'Calidus (3PL) v810.020.13' application. The window has a menu bar (Action, Edit, Query, Block, Record, Field, Window, Help) and a toolbar. The main area contains the following fields and options:

- Company: JP1 Department: 0000
- Date: 06-NOV-2025
- Version: DAT0001 v4.1
- Owner: [Yellowed out] [Text box]
- Warehouse Id: [Yellowed out] [Text box]
- Owner: Yes No
- Warehouse / Location: Yes No
- Supplier: Yes No
- Customer: Yes No
- Stock: Yes No
- Log File Required: Yes No
- OK button

At the bottom, a status bar shows 'Record: 1/1', a list of values, and '<OSC>'.

The following fields document the parameters for copying standing data:

Field Name	Description
<i>Owner</i>	The identifier for the owner of the data being copied. (Required Entry)
<i>Warehouse Id</i>	The unique identifier for the warehouse associated with the data being copied. (Required Entry)
<i>Owner</i>	A Yes/No option to include or exclude Owner data in the copy process.
<i>Warehouse / Location</i>	A Yes/No option to include or exclude Warehouse/Location data in the copy process.
<i>Supplier</i>	A Yes/No option to include or exclude Supplier data in the copy process.
<i>Customer</i>	A Yes/No option to include or exclude Customer data in the copy process.
<i>Stock</i>	A Yes/No option to include or exclude Stock data in the copy process.
<i>Log File Required</i>	A Yes/No option to specify whether a log file should be generated for the copy operation.

Action Buttons:

- **OK:** Executes the standing data copy operation based on the selected parameters.
