This is the Despatch Enquiry screen (ENQS0S001A).

The following fields document the enquiry parameters:

Field Name Description

Order Owner The identifier for the owner responsible for the order.

Order Num The unique sales order number to search for.

Customer The identifier for the customer associated with the order.

Order Type The classification or type of order (e.g., Home (English)).

The container details are displayed in a grid with the following columns:

Field Name Description

Container The classification or type of shipping container (e.g., Standard).

Number The unique identifier or serial number of the container.

Delivered The quantity of units or cases delivered within the container.

Action Buttons:

- Container Details: Navigates to the Package Details screen (ENQSODS02A) to view more detailed information about the selected container.
- Notepad: Navigates to the Customer Notepad screen (CASNR8200) for taking notes related to the enquiry.
