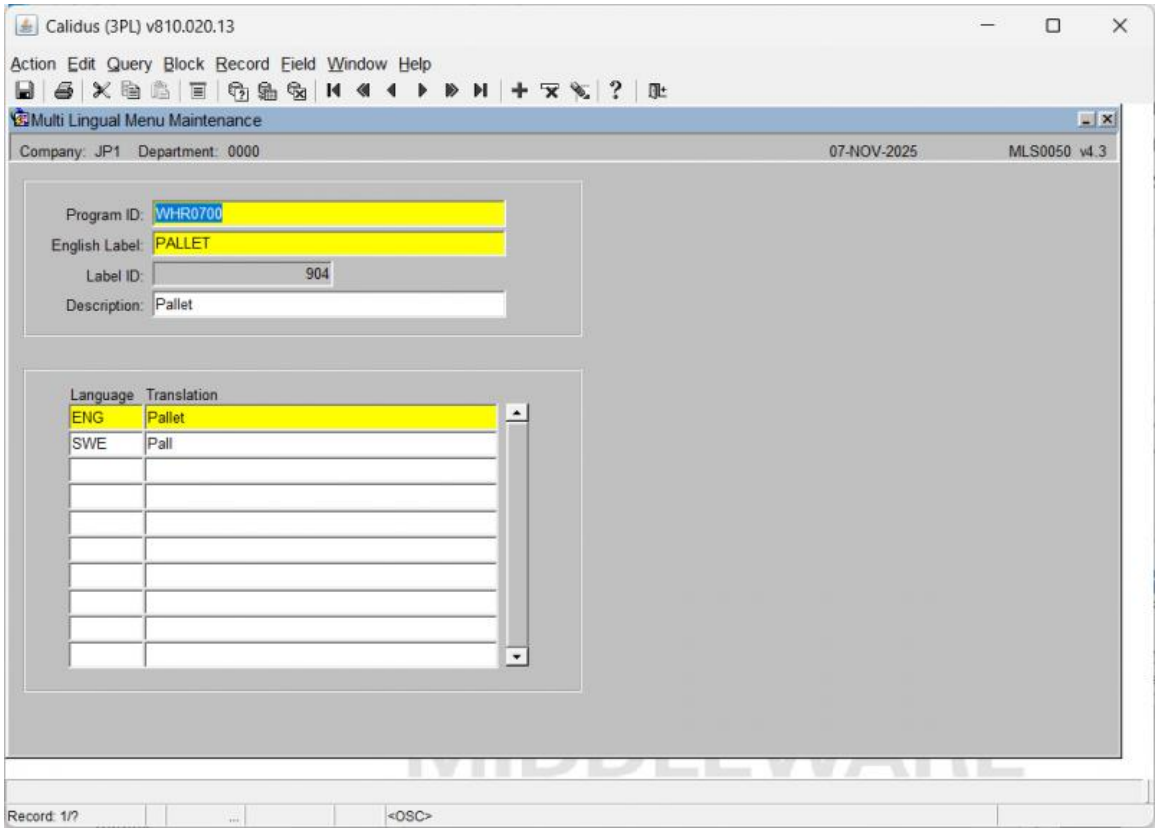
1 MLS0050

This is the *Multi-Lingual Menu Maintenance* screen (*MLS0050*).



The following fields identify the program and label being translated:

Field Name	***Description***
Program ID	The unique identifier of the program or screen to which the label belongs (e.g., WHR0700).
English Label	The original label text in English (e.g., PALLET).
Label ID	The numerical identifier for the specific label within the program (e.g., 904).
Description	The descriptive text for the label (e.g., Pallet).

1.1 Language Translation Grid

This table displays the translations for the identified label:

Field Name	***Description***
Language	The language code for the translation (e.g., ENG, SWE).
Translation	The translated text for the label in the specified language (e.g., Pallet, Pall).
