# 1 PFS2110W Voyage Maintenance

This is the Voyage maintenance screen.

Here you can add, edit or otherwise maintain voyages and the details associated to them.

You can find or add data here.

If adding a new voyage, you must enter at least:

- Voyage Reference
- Vessel - A lookup is provided
- Start Date
- End Date
- Contracted to
- Tariff Rate Type.

You may also enter:

- Start Time
- End Time
- Voyage Status (it will default to Current).

Once the voyage is created or found, you can start entering and updating details, through the tabs below.

## 1.1 Comments

File:PFS2110.png

You can enter as many comments as you like in this tab, and sequence them so that they appear in a certain order.

### 1.1.1 Receipts

Any GRN Preadvices being received from this voyage will show in this list here. You can set the tarriff rate type here against each GRN.

### 1.1.2 Orders
