This is the Stock Hazards and Risk Phrases (STKRP0001 v4.4) screen.

The screenshot shows the 'Stock Hazards and Risk Phrases' window. At the top, there is a menu bar with 'Action', 'Edit', 'Query', 'Block', 'Record', 'Field', 'Window', and 'Help'. Below the menu bar, there are fields for 'Owner Code' (ROB 001 RM) and 'Stock Code' (SC01_051). The main area is divided into two tabs: 'Hazard Statements' and 'Hazard Categories'. The 'Hazard Statements' tab is active, displaying a table with two columns: 'Hazard Statement' and 'Description'. The table contains three rows of data:

Hazard Statement	Description
H400	Explosive when dry.
H410	Very toxic to aquatic life
H410	Very toxic to aquatic life with long lasting effects

At the bottom of the window, there is a status bar showing 'Record: 1/3' and a button labeled '<OSC>'. A large 'MIDLEVEL' watermark is visible across the center of the screen.

Entering Search Criteria:

You enter the *Owner Code* field.

You then enter the *Stock Code* field or leave it blank.

The screen displays Hazard Statements showing:

- *Hazard Statement*, which can be entered.
- *Description*

Adding a Hazard Statement:

You click the list of values icon in the *Hazard Statement* field.

A "Hazard Statements and Risk Phrases" pop-up window appears.

You scroll through the list and select your value.

You then click **OK** in the pop-up window to confirm your selection.

The *Hazard Statement* field and the *Description* field is populated with the selected entry.

Navigating to Hazard Categories:

You click on the **Hazard Categories** tab.

This window displays:

- *Hazard Category*

- *Description*

You click the list of values icon in the *Hazard Statement* field.

A "Hazard Categories" pop-up window appears.

You scroll through the list and select your value.

You then click **OK** in the pop-up window to confirm your selection.

The *Hazard Category* field and the *Description* field is populated with the selected entry.
