This is the Held Stock Status Report (WHS0411) screen.

Generating a Held Stock Status Report:

The screen displays the following input fields:

- **Owner:** Enter the Owner code. When a value is entered, the owner name will be displayed next to it. An LOV is provided.
- **Product Code From/To:** Input fields for entering a range of product codes. An LOV is provided.
- **Reason Code From/To:** Input fields for entering a range of reason codes.

There is also a button:

- **Report**

When details are entered, click the **Report** button, which will start Held Stock Status Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide [Printing From the WMS](#).
