1 WHS0580 Product Recall Report

This is the Product Recall Report (WHS0580) screen.

Generating a Product Recall Report:

The screen displays the following input fields:

- *Owner*: Enter the Owner code. When a value is entered, the owner name will be displayed next to it. An LOV is provided.
- *Product Code From/To*: Input fields for entering a range of product codes. An LOV is provided.
- *Manu Date From/To*: Input fields for entering a range of manufacturing dates.
- *Despatch Date From/To*: Input fields for entering a range of despatch dates.
- *Client Pallet ID From/To*: Input fields for entering a range of client pallet IDs.

There is also a button:

- **Report**

When details are entered, click the **Report** button, which will start Product Recall Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide Printing From the WMS.
