WHS1210 Stock Availability Report

Contents

1 WHS1210 Stock Availability Report

This is the Stock Availability Report (WHS1210) screen.

Generating a Stock Availability Report:

The screen displays the following input fields:

- *Owner*: Enter the Owner code. This field will be defaulted to your user's default owner. When a value is entered, the owner name will be displayed next to it. An LOV is provided.
- *Exceptions*: A dropdown list with options *No* and *Yes.*
- *Sequence*: A dropdown list with the option *Code.*

There is also a button:

- **Report**

When details are entered, click the **Report** button, which will start Stock Availability Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide Printing From the WMS.
