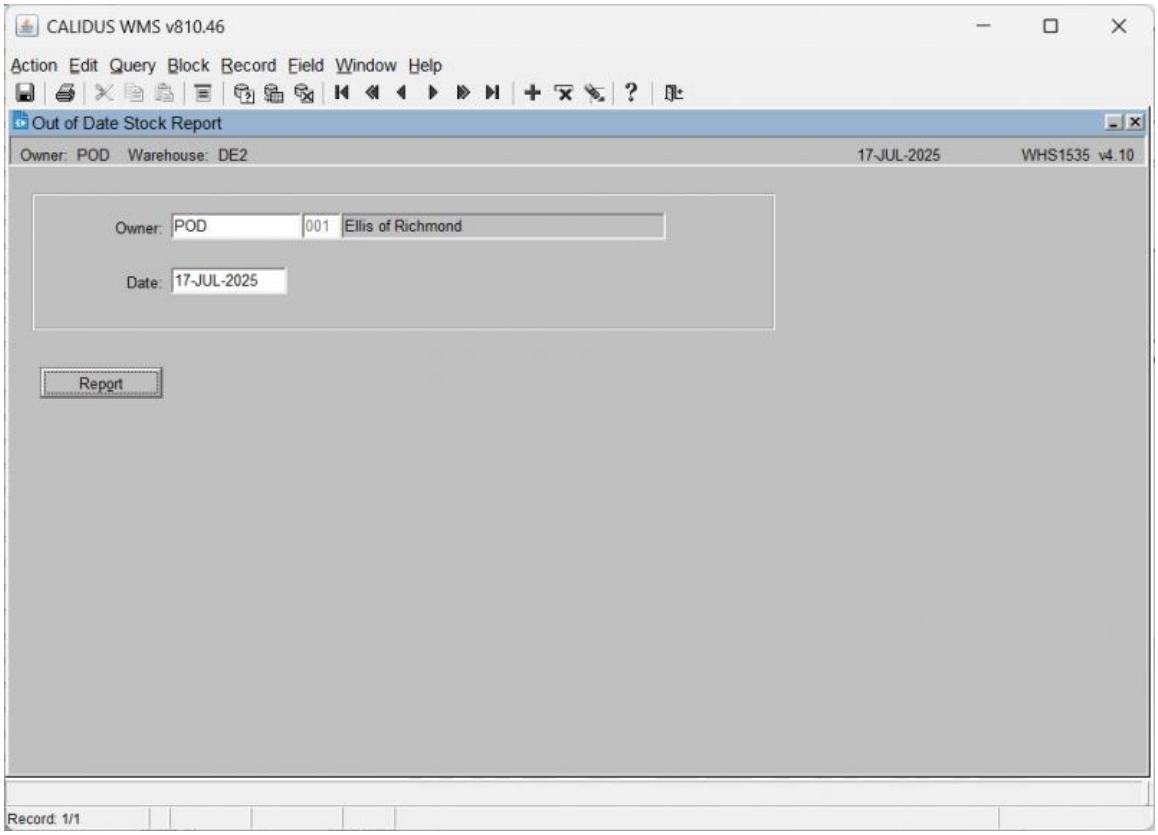
1 WHS1535 Out of Date Stock Report

This is the Out of Date Stock Report (WHS1535) screen.



Generating an Out of Date Stock Report:

The screen displays the following input fields:

- *Owner*: An input field for entering the owner code. When a value is entered, the owner name will be displayed next to it. An LOV is provided.
- *Date*: An input field for entering the date.

There is also a button:

- **Report**

When details are entered, click the **Report** button, which will start Out of Date Stock Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide Printing From the WMS.
