Generating an Unconfirmed Pick Pages by Date Report:

The screen displays the following input fields:

- **Owner:** An input field for entering the owner code. When a value is entered, "001" is displayed next to it. An LOV is provided.
- **Date From:** An input field for entering the start date.
- **To:** An input field for entering the end date.

There is also a button:

- **View Report**

When details are entered, click the **View Report** button, which will start Unconfirmed Pick Pages by Date Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide *Printing From the WMS*.
