This screen allows you to print despatch labels for a selected order.

Owner: POD 001 Port of Dover

Warehouse: DE2

Queue Name:

Order Number:

Print

17-JUL-2025 WHS1925 v4.5

The screen will default the following from the system settings and your user's defaults:

- *Owner*
- *Warehouse*
- *Queue Name* - the default printer NOMSDESP. This is maintained here: [Default Printer Maintenance WHS0002](#)

Enter the following:

- *Order Number* - enter an order. An LOV is provided.

When details are entered, click **Print**, which will start the production of the labels required in the format configured, and will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide "[Printing from the WMS](#)".
