This is the Empty Location Report (WHS2011) screen.

Generating an Empty Location Report:

The screen displays the following input fields:

- *Area From/To*: Input fields for entering a range of area codes. An LOV is provided.
- *Location From/To*: Input fields for entering a range of location codes. An LOV is provided.

There is also a button:

- **Report**

When details are entered, click the **Report** button, which will start Empty Location Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide [Printing From the WMS](#).
