 **Warning:** This is an incomplete guide.

This is the SSCC Label Generation screen.

The screenshot shows a software window titled "SSCC Label Generation". The window has a title bar with standard OS controls. Below the title bar, there is a status bar with the text "Owner: ROB Warehouse: NFT" on the left, "10-JUN-2025" in the center, and "WHS2300 v4.4" on the right. The main area of the window contains a form with several input fields and a button. The form fields are labeled as follows: "SSCC Prefix:" followed by a text box; "Company Prefix:" followed by a text box; "SSCC Seq From:" followed by a text box; "SSCC Seq To:" followed by a text box; "Current Sequence:" followed by a text box; "No of labels Required:" followed by a text box containing the number "1"; and "Printer:" followed by a text box. To the right of the "Printer:" text box is a button labeled "Print".
