 **Warning:** This is an incomplete guide.

The screenshot shows the 'SAP Translation Code Maintenance' window. The title bar includes the text 'SAP Translation Code Maintenance' and standard window controls. The main header area contains the following information: 'Owner: ROB Warehouse: NFT' on the left, '10-JUN-2025' in the center, and 'WHS2520 v4.2' on the right. The main content area is a form with several fields:

|                   |      |                  |                        |
|-------------------|------|------------------|------------------------|
| Owner:            | ROB  | 001              |                        |
| Transaction Type: | INVR | Description:     | INVRPT SAP Reason Code |
| PFS Reason From:  | 01   | Reason Code 01   | To: 01 Reason Code 01  |
| Sap Move Type:    |      | Sap Reason Code: | 2                      |
| Sap From Plant:   | GB9C | From Location:   |                        |
| Sap To Plant:     |      | To Location:     |                        |
