- *Order Num From/To*: Input fields for entering a range of order numbers.
- *Delivery Date From/To*: Input fields for entering a range of delivery dates.
- *Show Only Lines with Discrepancies*: A checkbox, with "No" selected by default.

There is also a button:

- **Run Report**

Ready for **What's Next, Now**™

When details are entered, click the **Run Report** button, which will start Short Picking Report generation. If this is a report, this will ask you how you would like to print the report through the standard screen. More details on this process can be found in the guide Printing From the WMS.
