Ad Hoc Invoices / Credit Notes

Owner: ROB Warehouse: NFT 27-JUN-2025 WHS8157 v4.4

Owner Code: ROB 001

Owner Name: RM

Client Reference: AHINV01

Customer Code: CUSTOMER 001

Invoice Address: Invoice address not found

Invoice Credit

Record: 1/1 <OSC>

This provides an easy entry into generating a new ad hoc invoice or credit note.

Simply enter the Owner Code (it will default, or you can use an LOV to find owners) and an ad hoc reference for the client.

Then click **Invoice** or **Credit**. This will take you to the Detail Handling Charges screen [WHS0168](#), where a new ad hoc invoice or credit note will have been created for you, ready to enter charges.
